

Why would Jesus like us to follow him too?

So we don't miss out

Because he wants the best for us!

So we can learn and grow with him

So we can enjoy being his friend

So we can see all he wants to show to us

To teach us how to really love others

He wants us to learn on him and trust him

To help us to see how much God loves us!

To be able to feel closer to God

So we can special his peace

He loves us

So we make less mistakes

To help us resist temptation (it can be hard)

To give us strength and hope
